

Fundraising Page Set-Up

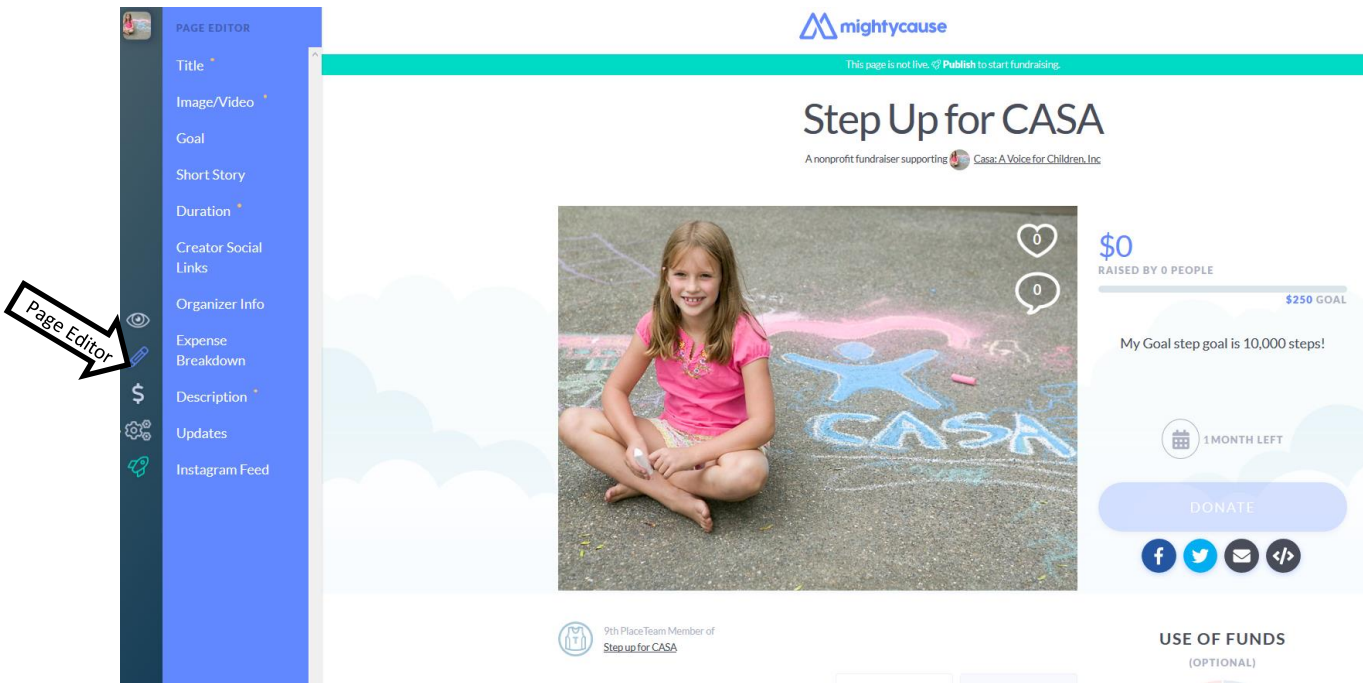

1. To create your own fundraising page visit <https://www.mightycause.com/team/Stepupforcasa>. Click on **Join This Team**.

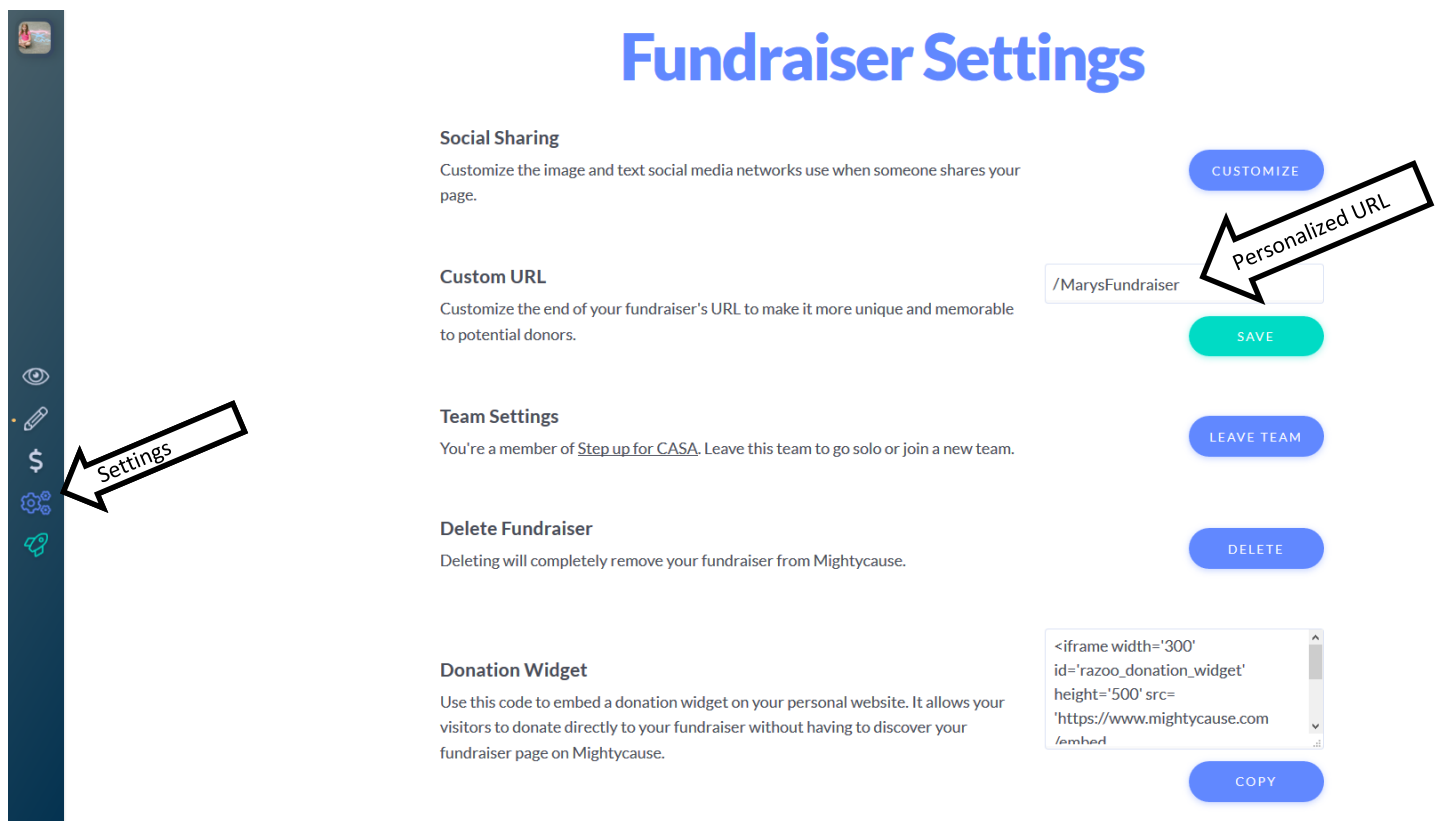

2. Use the template to create your fundraising page.

- Personalize your page. Personalize your story by updating the **Description**. Tell your supporters why this organization is important to you. Add a personal picture by changing the **Image/Video**. You can change your fundraising goal by editing the **Goal**. You can change your step goal by editing the **Short Story**.

- Click on **Settings** and customize your URL. This will help individuals find your page. For example if you type MarysFundraiser in the allowed space your URL will be <https://www.mightycause.com/story/MarysFundraiser>

5. When you have completed personalizing your page you will need to **Publish** your page.
